Too bad. Do you know how to generate a list of active cases in NCR for me?

The Nalco stuff I have is what Ex. 6 Personal Privacy (PP) gave to Ex. 6 Personal Privacy (PP) a week ago - I don't know what status he gave her this week. Don't know about case load question.

I assume that [REDACTED] is in today but I think that he is scheduled for a [REDACTED] day on Monday.

So, Please obtain from [REDACTED] what status info he provided to Lynn Dekleva on the four Nalco cases earlier this week.

Find out from him how long ago he requested that RAD update the health report for the current hair on fire case. I think he did so in early Feb.

Also find out if he discussed his caseload with Lynn Dekleva. Let him know that I need to discuss his caseload with all the "leaders" on Monday. Ex. 5 Deliberative Process (DP)

Ok. I think NCR May show one senior PM as the case manager but several newbies are helping him. I could be wrong, but he is not in charge of 60cases alone.
